CPD EVENT

Challenge is Opportunity

Lessons in resilience,
performance and collaboration.

Join us for an inspirational day of speakers including Motivational Speaker Mark Pollock, Specialist Oral Surgeon Dr Colin Campbell and Renal Transplant Surgeon Professor Tim Brown, where we will showcase how opportunity comes from challenge.

The day will explore modern dental extraction techniques, how to lead teams in adverse environments, the challenges of social media in dentistry and building resilience in the face of life's hurdles. There will also be discussion on enhancing the dentist/lab collaboration, together with updates from our referral clinicians on endodontics, oral surgery, periodontics and restorative surgery.

This full day, complimentary CPD event will be hosted in the beautiful surroundings of Riddel Hall with lunch and refreshments included. It promises to be both enlightening and empowering.
